Message From President/ IPP

Nepal is catching up in the world of startups and we have a lot to do. Our nation needs example of successful startups to inspire young entrepreneurs to start. "CNIYEF Nepal Startup Fest" becomes so important - to celebrate the spirit of startups in Nepal. We only hope that this event will be a start on its own and will ignite the fire, the spirit and the dreams of thousands of young entrepreneurs to be in Nepal.

Amun Thapa
President
CNIYEF

We are delighted to be part of the startup ecosystem with CNIYEF Nepal Startup Fest. The mission is to explore and broaden every opportunity for Startups to bloom, to inspire the young innovative minds to discover their concealed passions provide to all the attendees a journey of an enthralling experience.
